DETAILED ACTION

1. Regarding the status of the claims in the instant application, the Examiner has found a 112 2nd paragraph rejection in claim 20. The Examiner is obliged to apply the newly found rejection. Thus, the finality of the prior Office action has been withdrawn and a new rejection follows. The Examiner regrets the delayed process of the application. Accordingly, claims 1-20 are pending.

Allowable Subject Matter

2. Claims 1-19 are allowed over the prior art of record.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 20 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
